

**BOYS & GIRLS CLUB**  
OF GREATER LOWELL

## *Dutton Street Society*

The **Dutton Street Society** is named for the first permanent location of the Lowell Boys Club where many current local leaders found a safe haven and fun place to learn as young people. Members of this special giving society have chosen to invest in the young people of Lowell with an unrestricted major gift to ensure that future leaders continue to emerge from the Boys & Girls Club.

As a member of the Dutton Street Society, you pledge to make an annual gift of \$1,000 or more that directly underwrites the programming at the Boys & Girls Club. This gift allows you to play an important role in shaping young lives, and makes a powerful statement about how much you value the opportunities provided at the Boys & Girls Club for the youth in Lowell who need us most.

Dutton Street Society members will be recognized in the annual impact report, at Club events and on our web site, and will receive an invitation to our annual donor reception. However, the most tangible benefit is knowing that you are making a lasting impact in providing a better future for thousands of young people in your community. We will keep you informed of the impact that your gift makes throughout the year.
