

GREAT FUTURES START HERE.

Thank you for joining the Club Allies!

Club Allies play a very important role in bridging the gap between what our Club members pay to be a member of the Boys & Girls Club, and the actual cost of providing Club services. Our low membership fee of just \$30/year only covers about 3% of the operating costs needed to provide quality programs and healthy meals for kids in Lowell. By pledging a monthly donation to the Club, you can spread your support out over the year and increase the impact of your gift.

Club Allies are recognized within our annual report and at events. However, the most tangible benefit is knowing that you are making a lasting impact in providing a better future for thousands of young people in your community. We will keep you informed of the impact that your gift makes throughout the year.

Club Ally contributions can be made via credit card or automatic payments via your bank account.
