

Future Builder Partnerships

The young people at the Boys & Girls Club of Greater Lowell thrive because of partnerships with area businesses. Our ***Future Builder Partnerships*** allow those businesses who are committed to creating opportunities for youth who need us most to consolidate their giving, while expanding the benefits and recognition associated with our traditional event sponsorships.

In addition to the benefits associated with each event sponsorship level, ***Future Builder Partners*** will be recognized in a dedicated section on our web site, as well as within our print and email newsletters. All ***Future Builder Partners*** will also have an opportunity to collaborate on a service project between the company's employees and Club members.

For more information, or to customize a giving package that is right for your organization, please contact Angel Brunelle at abrunelle@lbgc.org or by phone at 978-458-4526 x 19.
