## **Future Builder Partnerships**

Our ***Future Builder Partnerships*** allow those businesses who are committed to creating opportunities for youth who need us most to consolidate their giving, while expanding the benefits and recognition associated with our traditional event sponsorships. Future Builder Partners plan out their sponsorships for the entire year, gain additional recognition for their support of kids in Lowell, and choose from several payment options.

Because each business's needs are different, your Future Builder partnership package can be customized by choosing the level of sponsorship you want for any or all events. Just use the enclosed form to select which events or programs you'd like to sponsor and at what level to determine the total amount of your Future Builder package.
