

Homework Helper:

Overview:

As a Homework Helper, your main responsibility is to help students learn which entails reviewing content with them, explaining how to solve problems and checking completed work. A homework helper may also help students develop study skills and organizational techniques to help improve their academic performance.

Responsibilities:

- Providing homework support for youth ages 7-12 in all academic areas
- Answering questions, giving feedback; coaching and encouraging youth
- Monitoring safety of youth, equipment, and materials
- Working with and providing feedback to Program Staff
- Participating in Club wide events
- Being available on a **consistent** basis on the given days/hours established at the beginning of the term
- Helping members to learn how to find answers on their own
- Providing alternate enrichment activities (worksheets, independent reading etc.) for members who have completed their homework

Qualifications:

- Experience working with urban youth in the elements of tutoring
- Flexible, positive and dependable
- Culturally competent
- Willing to follow Program guidelines as well as all policies pertaining to staff while interacting with young people on Club property
- Experience in the educational field is a plus

Hours: Monday-Friday 2:00 pm- 6:00 pm- *Must be available at least one day a week*
