

BOYS & GIRLS CLUB
OF GREATER LOWELL

S.T.E.A.M Volunteer

Overview:

S.T.E.A.M Volunteers are creative individuals who like to draw, paint, build, design, and make crafts. S.T.E.A.M Volunteers assist with teaching basic art principles and leading various creative projects. This is an exciting and interactive position open to individuals interested in art and STEM-related activities

Responsibilities:

- Maintain a safe working environment for the Club members
- Help youth to develop and refine their various art skills
- Greet and check in all members
- Assist with all art projects going on in the program space
- Assist Program Partners running S.T.E.A.M activities in the space
- Provide ideas and feedback for potential projects
- Be a flexible member of the Boys & Girls Club team

Qualifications:

- Passion for art
- Energetic and creative thinker
- Background in various art and S.T.E.M-related activities
- Excellent verbal and communication skills
- Positive and professional demeanor
- Experience working with youth
- Ability to multitask
- Bilingual a plus but not a requirement

Hours: Monday-Friday between 2:00 PM & 8:00 PM- *Must be available at least one day per week.*
