23rd Holiday Auction

Same Impact. New Experience.

Thank you for doing whatever it takes for kids and teens in Lowell!

The Boys & Girls Club of Greater Lowell has always been committed to doing whatever it takes to provide opportunities for youth in Lowell to build great futures for themselves, this year more than ever. This past spring, when the Club had to close its doors to members due to COVID-19, the Club began to serve Grab and Go meals outside the Club, at times, distributing more than 500 meals per day. Family Care packages went home on Fridays, and staff provided a connection to the Club through outreach and virtual

Tip: When choosing your fundraising goal, think of a goal that would be a stretch, but still achievable for you.

If you choose a goal that is too easy to achieve, donors might not be motivated to give, because they assume others will help you get to the goal.

If you choose a goal that is too large, they may think their donation won't do enough to get you to the goal.

Twenty-third Annual Holiday Auction

BGCGL Staff

Angel Brunelle

My Personal Fundraising Page

I have been a proud member of the Boys & Girls Club of Greater Lowell team for just over 5 years. I love being part of an organization that has so much heart and that is so committed to empowering young people in our community to achieve their dreams. Our members are some of the most charming, resilient, hardworking kids and teens I've met and they deserve every opportunity that their more affluent peers might have.

The impact of this year is multiplied in communities of color and low-income households. The Club has remained committed to doing whatever it takes to continue to open the door to opportunity for our young people, who are more than willing to do the work once they get through that door. However, we rely on community support to make this happen. Our Holiday Auction is a large source of funding for the Club. This year, we are going virtual, but we are sure that our community will rise to the occasion and support the event just as they always have, and maybe a few folks who haven't been able to experience this exciting evening will be able to join us for the first time.

Your donation will go directly to help provide educational support during the day for distance learners, three healthy meals each weekday, grab and go meals for those members who can't be with us in-person, mentoring and connections with our caring staff members, and engaging afterschool programs.
