### Congratulating the Class of 2025!

With 2025 graduation season upon us, those of us here at the Boys & Girls Club of Greater Lowell are feeling a mix of pride, excitement, and nostalgia.

This Spring, we are proud to announce that 34 Club Seniors have received their high school diplomas. Some are heading straight into the workforce, while others are college-bound - off to UMass Lowell, Middlesex Community College, and Merrimack College this fall.

Staff, volunteers, and Club peers are celebrating each and every one of them as they launch into the next phase of their lives.

Here are a few snapshots from the Lowell High School and Greater Lowell Tech graduations. Congratulations to our amazing students—and to the parents, mentors, and guardians who helped them get here. It truly takes a village!

### Celebrating the Past, Honoring the Present, and Looking Toward the Future

As we reflect with joy on another class of Club graduates, we are reminded of the countless members and staff who have walked through the blue doors. **For 125 years**, we've been dedicated to inspiring and enabling youth, especially those who need us most, to realize their full potential as productive, responsible, and caring citizens.

**We invite you to please gather with us** - share your stories, reconnect with Club alum, tour the newly constructed Smith Family Teen Center, and become part of 125 years of commitment to the youth of Lowell, as we us as we proudly honor the past, celebrate the present, and look toward the future of the Club.

## COMMUNITY AND CORPORATE CONNECTIONS

### A special thank you to:

- **DCU:** A dedicated group of over 70 employees assembled 400 summer kits for our youth members. Additionally, two of their staff members volunteered at the Club for Pride Month, refreshing our bulletin boards and distributing supply kits for members to enjoy!
- **Mochinut Lowell:** Generously donated donuts to support our Father's Day event.
- **UKG:** Following a fantastic volunteering experience during a service day, the UKG Engineering department returned to donate a brand new weed wacker/leaf blower along with school supplies.
- **Blue Cross Blue Shield:** Asian Blue Employee Resource Group Contributed a variety of culturally diverse books, as well as a financial donation to assist with our growing needs.

Opportunities like these are available throughout the summer!
