

Boys & Girls Club of Greater Lowell - May, 2025

Now that the weather is getting warmer, and days are getting longer, have you started making plans for summer yet? Perhaps you're thinking about a beach vacation, signing the kids up for summer camp, or putting together a family road trip?

Summertime is when kids and teens make lasting memories of new adventures, interests discovered and explored, and hours spent laughing with friends.

Here at the Boys & Girls Club of Greater Lowell, summer memories are made through fun activities and essential skill building.

Staffed by [trained and caring mentors](#), the Summer Program at the Boys & Girls Club of Greater Lowell provides affordable, safe, inclusive places where kids and teens build their confidence, explore their interests and build skills. Our staff do whatever it takes to ensure kids and teens have a memorable summer and feel prepared for the upcoming school year.

Give the gift of a great summer!

The [Summer Program](#) runs for 7 weeks in July and August, and the Club anticipates 200 young people will attend the Summer Program each week.

In order to make sure that every young person in Lowell has the opportunity to experience a great summer, the fee for registration is just **\$40 per week** and includes breakfast and lunch each day, as well as program options like arts & crafts, sports & fitness, field trips, STEM, special guests and more.

This is only possible through the support of community partners and individuals like you who know how important it is for kids and teens to have productive, fun-filled summers making new friends and new memories. [Will you give the gift of a great summer?](#)
