GREATER LOWELL**

OPEN THE DOOR

TO GREAT FUTURES

Boys & Girls Club of Greater Lowell - December 2025

Will You Open the Blue Door?

One blue door can change everything. At the Boys & Girls Club of Greater Lowell, that door is more than just an entrance to a building — it's the beginning of a journey. Every day, more than 200 teens and youth walk through it, stepping into a place of safety, opportunity, access and success.

From age 8 to 18, that journey looks different for each Club member. At 8, it's as simple as feeling safe, welcomed, and excited to learn. By 14, it's about discovering trusted mentors, taking on leadership roles, and envisioning a future full of possibility. And at 18, it means walking back out of that same blue door, a graduate — ready for college, career, and life — carrying with them the resilience and

courage to pursue their dreams.

This year, as we [celebrate our 125th anniversary](#), our vision remains bold: to end generational poverty in Lowell by ensuring every child has the resources and guidance to thrive.

Your support ensures that every young person who walks through this door can begin their journey, build confidence, explore their talents, and pursue their dreams. [Please make a gift today.](#)

Club Love,

Joe

Yes! I Want to Open the Blue Door.

Keeping the Blue Door Open for Generations

When you include the Club in your estate or long-term giving plans, you ensure that this door stays open for generations to come. Your legacy becomes part of every child's journey, from their first day walking through our door to the moment they step back into the world confident, capable, and ready to succeed.

Now is the perfect time to plan your giving. Current charitable tax benefits, allowing donors to deduct a greater portion of gifts and reduce certain capital gains are set to expire on December 31, 2025. By including the Club in your giving or estate plans today, you can maximize your tax advantages while ensuring this blue door stays open for generations to come.
