

Boys & Girls Club of Greater Lowell - September 2026

More Than a Color

Our distinct staff and volunteer shirt colors serve as a [visual guide](#) so youth and visitors instantly know who is available for help and support.

From trusting blue staff shirts to vibrant purple teen leader tees, each color highlights the dedicated community working together to keep the Club safe and welcoming.

Gearing up for the New School Year

We hosted a vibrant [Back to School Open House](#), equipping local youth with hundreds of free backpacks, supplies, and fresh haircuts for the new school year.

Families also connected with over a dozen community partners, entered fun raffles, and registered for upcoming club programming.

If you know an active member who still needs a backpack and supplies, please reach out to us at 978-458-4526.

When Fun Gives Back

Generosity can show up in unexpected ways - even from a [dunk tank](#) at a company picnic!

A recent company outing raised \$730 through a little good-natured fun, and the proceeds were donated to the Club. It's a great reminder that support can come from anywhere, and every gift helps strengthen our community.

If you or your company is interested in learning more about ways to give back, contact Jodi Weeks at jodi.weeks@lbgc.org, Corporate and Community Development Manager.

From Gift to Growth: Building What's Next

As construction continues at the Club, our staff recently had a chance to literally leave their mark!

Everyone signed a steel beam that will become part of the Administration wing at the front of the building.

It's a small but meaningful reminder that the people who make the Club what it is today are helping shape its future, too.

Make Your Policy Part of Your Legacy

Beyond naming Boys & Girls Club of Greater Lowell as a beneficiary, you can also transfer ownership of an existing life insurance policy directly to us. Doing this may make you eligible for a charitable tax deduction right away, and any future premium payments may be deductible too. It's a good option for policies you no longer need for their original purpose, like one purchased years ago to cover a mortgage or growing family.

Reach out to Marci DeCarli, Director of Philanthropy, at marci.decarli@lbgc.org with any questions.
